Why you want to play

- You can stalk people without using facebook
- You will get to meet new people
- You will get a chance to see new parts of the District
- You can win cool prizes, have fun and donate to a good cause

How it works

- Teams of "Seekers" (must be over 21) look for about 10 "Hiders" near metro stops in DC
- "Seekers" get a list of the metro stops where the "Hiders" will be, clues on things they like to do, and their phone numbers
- "Seekers" can text message the "Hiders" to ask what they are looking at
- "Hiders" will not really be hiding, but rather simply doing things that entertain them
- The first "Seeker" team to return upstairs of to Hawk and Dove for the after party who has found the most "Hiders" wins

How to sign up as a "Seeker"!

- Come to Port City Java between 11am-1pm on the April 18th to register
- Optional: You can pre-register and get sent an early view of the clues (e-mail us at: FARTinDC@gmail.com).
